

I would like to thank all players who participated in the try-outs for the 12U Tournament Team. I want to let everyone who participated know that there were no bad baseball players that tried out Sunday. I thought everyone who tried out, did a really good job. Every player on the field had their strong points and weak points, nobody was flawless. I was faced with a tough decision. For those of you who did not make the cut, I wish you the best. Keep your heads up and good luck in your upcoming In-house baseball season.

Sincerely,

Coach Keiper
