## Attention Parents – Please Read

M.T.A.A. is in the process of assembling a Concessions Committee, which you can read more about at our web site in the letter from Vice President Kevin Button. If you have an interest in joining this or any other M.T.A.A. committee, or finding out how you can volunteer in some other way, please contact Kevin by phone at 610-929-3678 or by e-mail at [cruiserkev2001@yahoo.com](mailto:cruiserkev2001@yahoo.com).

The Concession Committee members will run the major operations of the concession stand, but will still require additional help from our Player's parents. Beginning this 2009 M.T.A.A. Baseball Season all home teams will be required to have two parents man the concession stand to help the committee members during their child's game. For example if your child plays at the Mite level, all teams will play approximately 12 games during the regular season with only six of them being home games. Each team has about 12 players and that means that each player's parent should only have to volunteer one time (2 hrs.) throughout the season. If the home team does not supply two parents, the home team will have to forfeit their game.

The past season the concession stand was manned by the same people night in and out. This is not easy for the same people to do each night over a three month period. We all know how difficult it is to find the time to work, run a family and have all the extra curricular activities in addition. I believe that with us all working together we can run a successful concession stand that will bring in the much needed funds for M.T.A.A. to continue to allow us to provide your children with the equipment they need and the extra gifts we provide. The closing of the Bingo Hall has reduced our monthly income by about \$3 000.00 per month. Concessions has now become our most lucrative form of extra income and I know we can count on your help to make it happen.

Respectfully

Mark C Christman  
M.T.A.A. President
