Meeting called to order by Danielle at 7:07pm

Don put forth a motion to approve June's minutes. Seconded by Kevin; all approved

Baseball Report (given by commissioner Kelli Miller):

- The season is done.
- Equipment hand-in will take place next Saturday along with a coach meeting to address concerns, rules, etc. for next year.

Softball Report (given by commissioner Kevin Button):

- There is a person possibly willing to take on the softball commissioner position. Frank & Kevin will meet with her soon.
- The league contacted about us regarding a fall 12U program. Although we will not be putting together a program as an association, any girls interested in playing could play for other area leagues to fill empty spots on their teams.

Football Report (given by commissioner Chris Rear):

- Equipment hand-outs will take place on August 4th & 5th.
- Practices will start the week of August 13th
- We still do not have enough to field two teams at the oldest level. If we don't get enough, the league will force us to combine all the boys on one team.

Cheer Report (given by commissioner Nikki Stoudt):

- The parent meeting is taking place tomorrow night
- Parents are starting to look for game times. Chris Rear said he will provide this
- Nikki asked about field area at Jim Dietrich. Danielle talked to Frank and the Township is OK with whatever we need. Chris & Nikki will work together to divide the space.
- Nikki will square things away with concessions for coverage this season

Fall Baseball Report (given by commissioner Jeff Bieber):

- We have 19 players at the 10U level which is enough for two teams, 15 for the instructional level and 5 for the travel team. We did put word out for more for travel. If we don't get any more sign up, Jeff will call those 5 families and see what they want to do.

Girls Basketball Report (given by commissioner Jen Wilson):

- Jen has given her resignation as commissioner. Cori will take over as commissioner and look for a co-commissioner

Field Hockey Report (given by commissioner Wendy Button):

- We have approx. 45 girls signed up. This creates 3 junior and 2 senior teams. We have coaches in place for the teams
- Practices will start the week of August 20th

- We have information for the Twin Valley and Oley Tournament. It looks like these will be our only two tournaments this year
- We are holding our Play Day the first Saturday in October with a rain date of Sunday at Jim Dietrich.

Boys Basketball Report: No commissioner present at meeting

Wrestling Report: No commissioner present at meeting

Meeting was adjourned at 7:17pm
