- Kelli will check with Play It Again Sports for broken in catchers' milts

Girls Basketball Report given by commissioners Cori Olmeda& Jen Wilson

- Nothing is happening right now. The season wrapped up. One division ended up with a 4th place trophy in a tourney.

Boys Basketball Report given by commissioner Mike Eberhart

- Season is over and all went well

Fall Baseball Report given by commissioner Jeff Bieber

- Jeff will be getting in touch with Mark, Phil, etc. to talk to them about setting things up the same way this year as was done last year since it seemed to go well

Field Hockey Report given by commissioner Wendy Button

- Nothing to report at this time

Wrestling Report: No commissioner present at meeting

Softball Report given by commissionerKevin Button

- All coach's calendars were turned in at the last league meeting.
- Schedules will be given to us by April 12
- The season will run April 23rd through June 9th
- The last week of the season will be "Championship Week" for 10UA and 12UA. After the regular season play is over, the teams will be ranked and sent to playoffs. More details will be coming. This is something new the league is trying and will see if it works before deciding if it will be a yearly thing.

- All practices have begun.
- Pitching machines are put together. One at Reading Crest which was donated by Mark Rozzi and one at the MTAA field which we purchased. They are being used by softball 10U and 12U ONLY. Still working on a cage.
- Need to look into getting a portable toilet at Reading Crest
- Uniforms are set to be delivered the first week of April.
- Will be scheduling pictures between April 11th & April 22nd.
- Thank you to the board for their approval and willingness to host a charity softball game to benefit the daughter of Gabriella Hess however, the family is feeling overwhelmed by all the events taking place since her death and, while they are extremely touched & grateful for our willingness to do this, they ask that we hold off until the fall. We will revisit doing something before fall baseball starts.
- To date, no one has expressed interest in taking on the softball commissioner position for next year. Kevin will put out another email about it. Even though the season is over June 9th, there are still mandatory BCGSL meetings that take place in late 2012 and early 2013 that will need to be attended by the commissioner prior to the start of the 2013 season.

Football Report given by Chris Rear

- Nothing to report at this time

Batting Cage

- Kelli reported that repairs have been started and should be done by spring clean up

Break In

- The shed door lock was broken off, the concession door was damaged, the paneling on the freezer room was damaged as well as the vent and door to that room.
- Repairs are estimated over \$3600. We have a \$200 deductible.
- We will be taking precautions for increased security like a new dusk to dawn light

A motion to adjourn the meeting at 7:35 was put forth by Wendy, second by Jeff & all approved.
